7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties, and responsibilities of citizens

India is diversified with cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race sex. Our institute sensitizes the students and the employees of the institution to the constitutional obligations about values, rights, duties, and responsibilities of citizens which enables them to conduct as a responsible citizen. To equip students with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. These elements are inculcated in the value system of the college community.

The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people. The institute conducted awareness programs on the ban on plastics, cleanliness, Swachh Bharat, etc. involving students. The college establishes policies that reflect core values. Code of conduct is prepared for students and staff and everyone should obey the conduct rules. The affiliating University curriculum is framed with mandatory courses like Professional ethics and human values, Constitution of India, Essence of Indian Traditional Knowledge, as a small step to inculcate constitutional obligations among the students.

In addition to the above, the institution celebrates Republic Day, Independence Day, International Yoga Day, International Women's Day, Voting Awareness Program, Gandhi Jayanthi, Ambedkar Jayanthi, Consumer Day, Environment Day, etc., from time to time with a motive to introduce students to various social values and responsibilities.
